About Forensic Global

Our focus has always been on professional values and high ethical standards. The Institute welcomes new members.

The Institute of Certified Forensic Accountants - ICFA - is a professional body for those committed to the development of the multidisciplinary profession of forensic accounting. We aim to promote and develop the profession of forensic accountancy to the public and to those people involved in providing forensic advice and guidance to their clients.

The Institute represents accounting professionals who work in the forensic arena. Our focus has

always been on professional values and high ethical standards, plus the opportunity for study and career advancement in the field of forensic accounting.

We are a not-for-profit professional body for accounting professionals and have has a growing global presence with members in over 25 countries. Our members are employed in all sectors of the economy and make a significant contribution to the efficiency of any business.

Membership

By electing to become a member of the Institute of Certified Forensic Accountants, you show your commitment to the forensic accounting profession.

The Institute offers a number of membership grades to suit both your individual and career requirements.

These grades are as follows:

- Certified Professional Forensic Accountant designation
- Associate Membership
- Fellowship

To apply for full membership the Certified Professional Forensic Accountant course must be successfully completed.

The Certified Professional Forensic Accountant - CPFAcct - designation is ideal for those working in the accounting arena who would like a forensic accounting designation or for those who would like to upgrade their skills. The program is 100% online.

Standards

Our exam structure is regularly reviewed to ensure their relevance and quality. Our academic partner is one of the UK's leading online and distance learning platforms specialising in online learning and Open College courses.

Training

The Institute offers a series of high quality, online and distance learning training courses from our approved academic partners.

The Certified Professional Forensic Accountant - CPFAcct - is our most popular course. The programme is 100% online and begins with a broad introduction to the concept of both forensic accounting and fraud, outlining exactly what it is that constitutes fraud and where the forensic accountant fits into the picture.

The CPFAcct course is provided by one of the UK's leading online and distance learning platforms specialising in online learning and Open College courses.

The programme syllabus consists of 12 units.
